FLOOR TILES COLLECTION

Johnson Tiles - Durable & Classy

Johnson floor tile collection offers the most comprehensive selection of quality tiles suitable for a wide range of interior styles and uses. Johnson floor tiles are available in a variety of sizes, colors, looks and finishes.

This catalogue showcases some of our finest collection of floor tiles in sizes of

Floor: 20.3X100.7, 60x60, 40x40 & 30x30 cm

It's protective shield makes it skid resistance and optimum grip even in wet conditions. This also protect tiles from stains and scratches (*conditions apply)

All floor tiles are backed with quality assurance from Johnson. Ever evolving and ever inspiring, the collection will leave you spoilt for choice. The collection will lend unparalleled aesthetic appeal to your interior spaces.

A journey from tiles to lifestyles - measured in square feet

H&R Johnson (India) is a division of Prism Johnson Limited, one of India's foremost Integrated Building Materials conglomerates.

India's Most Integrated Tile Manufacturing Company

Self-owned Felspar Mines

Making Punches & Dies

Manufacturing of Soluble Salts and Inks

Being India's most trusted tiling brand requires that trust to be maintained in every stage of developing each and every product that bears the name of the brand. That's why at H&R Johnson, our Felspar Mines are Self-owned, the soluble salts and inks are manufactured in-house, and even the dies and punches are made in-house. All, so that every step in the process comes with the same quality and assurance, that you expect from us.

Manufacturing Excellence

Johnson has the most modern manufacturing units across strategic locations in India. Our manufacturing facilities employ the best technology from world leaders in tile manufacturing equipment. All our plants are ISO compliant with both 9001 and 14001 certifications as well as OHSAS 18001 certification.

Certifications

Johnson is India's largest tile manufacturer. It's commitment to quality, service and innovation is backed by certification from the world's leading accreditation bodies.

ISO 9001: 2015
For implementing a Quality Management System for the Manufacture and Supply of Ceramic Tiles.

ISO 45001: 2018
For implementing an Occupational Health & Safety Management System for the Manufacturing of Ceramic Tiles.

ISO 14001: 2015
For implementing an Environmental Management system for the Manufacturing of Ceramic Tiles

Certificate of Merit for Energy Conservation, Bureau of Energy Efficiency, Ministry of Power A Recognition for the efficient use of energy and its conservation.

Plant has received Safety award by National Safety Council

GreenPro is a product certification given by the Confederation of Indian Industry (CII) which signifies environmentally conscious life cycle of the production; certification for eco-friendly products that helps customers make an informed choice towards sustainable products.

Griha
Griha council is a joint initiative of Ministry of New and Renewable Energy, GOI and The Energy and Resources Institute of implement Griha. India's national rating system for sustainable habitats

Johnson Floor Tile Fixing Instructions

1. Plaster the surface to be tiled with a good finish and complete the rendering and curing at least two weeks prior to tiling. **DO NOT FIX TILES ON FRESH SURFACE.**
2. Before fixing the tiles, lay them out in the desired pattern and make sure that they give an acceptable blend of shade, colour and design. Also make sure that the tiles are acceptable to your satisfaction. Please note that certain amount of shade & size variation is inherent in all ceramic products.
3. The company bears no responsibility towards the tiles exposed to outside process like transfers, printing, firing etc.
4. For fixing these tiles, we recommend using an appropriate product from the range of tile fixing adhesives from the ARDEX ENDURA (INDIA) PVT. LTD. Please follow the adhesive manufacturer's recommendations and instructions for best results.
5. For fixing the setiles using sand and cement, follow the instruction given below:
 - a) Use cement and sand mortar in the ratio of 1: 3. Add some water to create a consistent paste.
DO NOT USE NEAT CEMENT FOR FIXING TILES.
 - b) Once the mixing has been completed, do not add more water and use the mixture within one hour.
 - c) Soak the tiles in clean water at least 30 minutes before fixing.
 - d) Remove the tiles from the water and allow them to drain to ensure that there is no film of water on the tile surface.
 - e) Apply a 15-20mm layer of bedding material evenly over an area of 1 square meter at a time on the surface of the area. Apply a fine slurry to the back of the tile to ensure proper and full bedding. Press gently for even adherence at the back of the tile. **DO NOT USE AN IRON HAMMER OR SOME HEAVY MATERIAL TO PRESS THE TILE.**
6. Mark and lay out the tiles from the center of the area to be laid so that cut tiles, if any, will be on the outer edges towards walls.
7. The nominal/work size of the tile is as printed on the carton. It is advisable to maintain a gap of 1mm to 2mm between two tiles to allow for possible expansion as per ISO tolerance norms.
8. Wait for 24 hours after fixing the tiles. After this period, fill the joints with cementitious or epoxy grouts from ARDEX ENDURA (INDIA) PVT. LTD.
9. Fifteen minutes after the grouting process, wipe off the excess grout with a damp sponge and polish the tiles with a soft, dry cloth.
10. Please note that wall tiles are specially manufactured for use on the wall only. **DO NOT FIX WALL TILES ON THE FLOOR.**
11. For cleaning tiles, use a moist cloth or sponge with water or diluted soap solution. You can also use tile & stone cleaners from ARDEX ENDURA (INDIA) PVT. LTD. **DO NOT SCRUB OR SCRATCH.**
12. **DO NOT USE ACID / ALKALI / SOLVENT / OILS / CLEANING POWDERS ETC. FOR CLEANING TILES.**
13. Please note: The company does not accept any liability in case of problems arising out of non-adherence to these tile fixing instructions.
14. **THE COMPANY WILL BEAR NO RESPONSIBILITY AFTER THE TILES ARE FIXED.**

NOTHING IN THESE INSTRUCTION IS A SUBSTITUTE FOR GOOD WORKMANSHIP AND SUPERVISION
